APHA - Ima Sugar Leo
2004 Homozygous Black & White Tobiano Stallion (reference Stud)

Leo has produced some show and arena quality offspring. His offspring have had very nice very nice heads, big hips (good muscle) and awesome color. These foals have beent he total package! Leo was Homozygous so no matter what mare you bred him too, you were guarantied a paint foal. We have had excellent colored foals, along with a CHAMPION packaged pedigree. They include APHA Supreme champions, Sky Bug Bingo, Gallant Ghost & APHA Champion producers MK's Black Pepper, and also Little Peppe Leo.

Leo's pedigree is also very versatile which we like, you can use his foals in so many areas and you catch people's eye while doing so. There will be only two foal crops off of Ima Sugar Leo as we regretfully had to put him down in the spring of 2007. He will be missed at K Rose Ranch, but his bloodlines and his spirit will always carry on here.

Watch for Ima Sugar Leo Junior!!
